日本語で話しませんか？

- "Have Fun Talking in Japanese"
- Talk with other Japanese language learners and a native Japanese speaker in a small group.
- To make the communication more fun, you may talk about issues/things which are closed to your real life based on the selected theme, as well as showing others anything that related to the theme (e.g., photos, pictures, figures, things).

Open for all Japanese language learners (any level) in Malaysia!
This is a good chance for you to practice your Japanese **casually/leisurely!**
