アゲイン 28年目の甲子園

(OMORI Sumio 大森寿美男 /2015/120 min)

Synopsis:

After losing her father to the 2011 earthquake and tsunami disaster, Mie discovers a stack of New Year's cards that has been left unsend for 28 years. After bringing the intended recipients together—all members of her late father's high school baseball team—she suggests that they try out for the Masters Koshien, a seniors tournament for ex-high school baseball players. Led by Haruhiko, a divorced man desperately in need of a second chance, they aim for sporting glory once more.
